THE BEST WAY TO MANAGE YOUR AIRPORT PASS APPLICATIONS

For airports and their partners, ID Issuance is a complex process that is time consuming and costly. MTrust is a revolutionary Airport ID Pass Application vetting and issuance solution, hosted in the Cloud. It has been designed to reduce complexity and cost, improve efficiency and increase security.
PASSES ISSUED FASTER
MTrust’s streamlined application workflow tools get your pass holders on site faster.

90% LESS REJECTIONS = LESS COST
All applications are automatically pre-checked to ensure the best chances of approval first time around.

LESS CALLS
Giving on-line visibility to Authorised Signatories means airport staff can get on with their job instead of taking calls.

**DASHBOARD & KPI REPORTING**
MTrust gives your whole team a personalised dashboard and inbox, helping everyone stay ultra-organised. You know everything you need to know about your ID Centre bandwidth in an instant and you can adjust your team activities accordingly.

**ACCESS CONTROL INTEGRATION**
MTrust integrates with industry leading access control systems, ensuring the smoothest transition from application approval to pass issuance.

**AIRPORT BROADCAST**
Need to inform your Authorised Signatories of a change in regulation? No problem. MTrust's Airport Broadcast tool allows you to send a group notification to everyone at the touch of a button.

**FAST-TRACK**
For those emergency situations, MTrust supports Fast-Tracking of applications.

---

**AIRPORTS**
**pay**
**PER pass**

The MTrust pricing model is designed to offer low start-up costs and ensure you only pay for what you use.

Unlimited users, no charge.

**AUTHORISED SIGNATORIES**
**from**
**FREE* per pass**

MTrust has so much to offer Authorised Signatories but best of all you only pay for what you use and at some airports, there is no charge at all.

Unlimited users, no charge.

Lightning-fast applications

AUTO-COMPLETED & PRE-CHECKED
All application forms can be automatically populated from a securely stored profile and before they’re submitted, MTrust automatically checks them against the airport’s application rules. This means your forms are filled out faster than ever before and with no mistakes. MTrust supports the following profile data:

- Contact details, DoB, NI number, employment details
- References: agency, employment, character, gap, job seekers, HM Forces + more
- Security Clearance: Disclosure Scotland, CTC, Higher
- Identity Documents: Passport, Driving Licence, Visa, National ID Card, Warrant Card, Signature + more
- GSAT & GSAT Transfer

MORE POWERFUL TOOLS

- Application query (preventing unnecessary rejects)
- TUPE ready
- Sequential approval workflow tools
- Application assignment and re-assignment
- Push notifications, comments & reminders
- On-line video training
- Available on any device, any time

All application types supported
